New Mission

(What and Where)

- Supporting families with children 0 to 6 in Terrace & District and local Aboriginal communities.

New Vision

(Future)

- A community where all children are valued and will develop to their full potential.

Vision Values

(Our Community is where:)

- Families are the most important influence on children's development
- People are working together for the benefit of all children
- Everyone has adequate food, housing and safety
- Everyone connected and no isolation
- A comprehensive infrastructure of supports and services exists
- Trust & commitment to our vision that allows us to move forward
- There is equitable access for all
- Diversity and inclusion of all ages, cultures, abilities, etc. is valued
- There is no racism
- Open minded, non-judgmental and respectful of differences of potentials
- Healing
- Network of family, friends and neighbours
- Grounded in a solid foundation of common values of a healthy community
